About BFCN

The Black Foundation of Community Networks (BFCN) is a non-profit organization founded in 2011 to network community resources and groups, to strengthen the Black family unit, and to improve student achievement. BFCN is based in Woodbridge, Ontario and serves the Black community across the Greater Toronto Area. BFCN's initiatives include a weekly community program called Friday Focus, annual scholarships and bursaries, an annual Scholarship Directory, an ongoing Community Calendar and access to diverse resources, services and opportunities for youth, adults and families.

Friday Focus is a weekly program created to engage Black youth and parents. The youth work with teachers, volunteers and peers to improve math literacy, learn Black history and enjoy recreational activities while developing social and life skills. The parents participate in a Parent Forum where weekly discussions, workshops and resource-sharing takes place. All adults are welcome in the Parent Forum; most are parents but you do not need to be one to join!

Each year BFCN awards three annual scholarships to Black youth pursuing post-secondary undergraduate education in Canada; one for a graduating high school or CÉGEP student; one for a student already working towards their degree or diploma and one for a student who has overcome adversity. These \$1,000 awards are granted to successful students who have also demonstrated community involvement, leadership qualities and financial need. The 6th Annual BFCN Scholarships are due on July 31, 2018. In 2017 we received a donation from a private donor and awarded the Evangeline Terrio Community Service Scholarship \$4000 in scholarships will be presented to Black youth at our [8th Annual Fundraising Dinner & Dance](#) this February 24th 2018!

The BFCN Scholarship Directory is one of our most important initiatives. We believe that every student should have access to an accurate and informative resource of scholarships, bursaries and awards to help pay for post-secondary education. Each year, thousands of dollars go unclaimed because students are unaware of what is available and information is often outdated or inaccessible. Our hope is that this directory will continue to guide students and their parents and educators towards securing financial support. We also believe that access to education of all forms is important for the continued success and growth of youth in our community. Student achievement is one of our main goals and scholarships and resources such as these can help youth achieve their goals both in and out of school.

Black Foundation of Community Networks Scholarship Directory 2018

Together we can strengthen the Black family unit and improve student achievement, one student, one adult, one family at a time.

President's Message

Dear Students, Parents, Caregivers, and Educators,

On behalf of the BFCN Family, I would like to introduce you to the 6th Annual BFCN Scholarship Directory. We hope that you will find this resource informative and useful whether you are a student, parent or educator. We believe that education is one of the keys to success and that all youth should have the opportunity to advance their academic careers with further education. Scholarships, bursaries and awards help make these goals more achievable by financially assisting students with the often inaccessible and high costs of post-secondary education.

We created this directory to highlight existing scholarships, bursaries and awards that are available for students pursuing post-secondary undergraduate education in Canada. We have included more than 50 scholarships in this directory and we hope that each one is awarded to a youth in our community. Each page represents a different entry and includes a summary of the criteria as well as important information you need to apply. We have also included a personalized checklist at the bottom of each page. However, it is very important to carefully read the criteria and instructions on each organization's website or application as information can change. BFCN is not liable for any inaccuracies which may appear in this document. NOTE: The final page of the directory includes a list of scholarships, bursaries and awards whose information was not confirmed at the time of publication. If and when information is updated and available, individual feature pages with more details will be created. Check back for updates throughout the year!

As always, this project is a work in progress and for the 2018 edition we decided to switch to a Google Docs format. This change will allow us to add and made edits to entries post-publication ensuring that information is being shared as quickly as possible. If you are an organization or an individual who knows of any other scholarships which were not included in this directory, please forward the information to us at info@bfcn.ca. Please share this resource widely to increase overall access. Thank you to everyone who has shared the Scholarship Directory over the years and given feedback! For more feedback or information regarding this Scholarship Directory or BFCN, please contact us at info@bfcn.ca or at 416-566-2731. If you use social media, stay up-to-date and like our page on [Facebook](#) and follow us on [Twitter](#) and [Instagram](#)!

Thank you for your continued support.

Scholarship Application Tips & Tricks

- ✓ Confirm that you are **eligible** for the award and meet all criteria. If you're not sure, ask!
- ✓ **Contact the organization** to make sure all the information is accurate.
- ✓ **Prepare in advance** and give yourself enough time to complete the application.
- ✓ **Read the instructions** very carefully. One small error can eliminate your application!
- ✓ Take note of the **due date**. Does the application need to be received by the date or only post-marked (in the post office by the date)?
- ✓ **Use a black pen**, unless otherwise specified.
- ✓ Do a **practice/rough copy** before completing the real application.
- ✓ **Write a generic 500 word letter of intent** outlining your goals, achievements, academic and career plans. Most scholarships require a letter or essay of some form. If you have a generic one completed, all you have to do is modify it to satisfy the criteria of the scholarship you are applying for!
- ✓ The tip above ^ also applies for **Cover Letters and Resumes!**
- ✓ **Update your letter of intent, cover letter and resume** as you gain new experiences so it's always ready to go.
- ✓ When writing, **be yourself and be honest!** Try to set yourself apart from others. **Don't just list** your accomplishments or activities. Explain them and demonstrate why they make you more qualified and deserving. You got this!
- ✓ **Proofread** 3 times and then send it to a friend to proofread again!
- ✓ Ask a professional (e.g. teacher, coach, or employer) to provide a **good reference**.
- ✓ **Give your references enough time** to prepare the reference letters. If possible, ask for the letters to be printed on letterhead.
- ✓ Order a sufficient amount of **transcripts**, especially before the school year ends.
- ✓ **Triple-check your application package** to ensure all documents are included and in the right order.
- ✓ Always have enough **stamps and envelopes** ready to go. Check at the post office. You can also find out if you're able to submit your application **online** so you can save money and trees!
- ✓ Contact the organization a week after mailing to **ensure receipt** of your application. If sent online, check in after a couple of days if you don't receive a confirmation of receipt.
- ✓ **Write a thank you letter or email**, even if you are not awarded the scholarship.
- ✓ **Have a question?** Call BFCN at 416-566-2731 or contact us via email at info@bfcn.ca or our social media!

- ✓ **Know that you are important and worthy**
regardless of the outcome of your scholarship
application or your grades!

How You Can Help

The annual BFCN Scholarship Directory was created in hopes of supporting youth across Canada discover, apply for and win scholarships, awards and bursaries to help ease the financial burden of post-secondary education. Since 2013, this resource has been accessed by countless youth, parents, caregivers, and educators. We thank you for your messages of support! Here are some other ways you can continue to help us help youth:

1. **Share this directory!** Share with family, friends, co-workers, peers, students, educators, facilitators, schools, businesses and community organizations. Wherever youth are, we want them to have access to this resource.
2. If you are an organization/business listed in this directory, we strongly encourage you to **link this directory to your website and/or social media**. This will increase the number of youth who have access to your scholarship/bursary/award as well the other included entries.
3. If you know of a scholarship/bursary/award that is not included in this directory please share it with us. This resource is a work in progress and will be updated regularly. **Send us the ones we've missed for 2018!**
4. **Give us feedback!** We want to hear your thoughts about this directory. Helpful? Clear? Too much writing? Inaccurate information? Let us know how we can improve!
5. **Support BFCN by making a [monetary or in-kind donation](#).** We are a volunteer-run organization and your financial support will enable us to continue to offer resources and services within our community.

For questions, feedback, media requests or more information about the Scholarship Directory or BFCN, please get in touch with us. We can't wait to hear from you!
