C R H A Bursary

Co-chairs chairs

Elva Haggarty &

Glenda Kent

Guidance Counsellors in the Colchester East Hants School Board area:  
This letter is to inform you that the Grace Bethel Bursary is being offered again this year, 2024, by the Colchester Regional Hospital Auxiliary, to three graduating students of the area under the umbrella of Colchester East Hants Health Centre, who wish to prepare for a career in the medical health field. The bursary is meant to help with finances for the first year at university, and to be an incentive to choose medical health courses, mainly nursing, as a route to a rewarding way of life.

Those graduating students wishing to take advantage of this gift <sup>\$2000.00</sup> must prepare a letter making the committee aware of their diligence in their academic pursuits as well as such extracurricular activities as sports, volunteer work, and/or work, etc. We also require that two (2) personal references accompany the application, along with a copy of their conditional acceptance to a recognized institution. The award is presented at graduation.

Please include your personnel contact information, i.e. mailing address, e-mail address, and phone numbers, both home and cell.

If you have questions or concerns you may call me at 902-895-4760.

Please address applications to Elva Haggarty, C R H Auxiliary

Grace Bethel Bursary Comm.

Colchester East Hants Health Centre

600 Abenaki Road, Truro

B2N 5A1

Or deliver to the CRHA Coffee Shop in the hospital before May 26, 2024.

We look forward to submissions from your school.

*Many thanks for sharing this with your students.*

*Ewa Haggarty*
